School spirit plays an important part in any school's activities and functions. During this year one man has produced a most significant change in this area at Peach County High School which has been experienced by all students and faculty as well as the various athletes coached by him. Under this man the Trojans have reached new and greater heights in athletics and learned to believe in themselves. In appreciation we, the Annual Staff of Peach County High School, proudly dedicate the 1974 Retrospect to Coach Scott Connor.

Gail Lindsey is no longer with us here at Peach County High School. Gail is a person that will not be easily forgotten and her contribution to the school will long be remembered.

As she left, she took a part of the school with her, and left part of her with us here at PCHS. We will never forget the years she spent with us.

To The Class of 1974

Each graduating class finds a special place in my affections. The class of 1974 is unique in that you are the first integrated class to graduate having spent all of your four years at Peach County High School.

As I have watched you, you have strengthened my concept of human progress - a faith that we are making progress in spite of all obstacles and set-backs. It is my desire that your lot is made better, spiritually, materially and intellectually. What joy it gives me if I have had a small part to help you on your way.

Best wishes to each of you!

Sincerely,

Ernest R. Anderson

The Trojans
1973 2AA West Champions

Top Row: (L to R) Daryl Blount, Bobby Smith, Paul Ross, Rudolph Thomas, William Preston, Eddie Latimore, Kenneth Sanders, Alvin Jackson, Chester Wilkerson.

2nd Row: Sonny Bailey, Charlie Bennett, Ronny Sanders, Leanard Cobb, David Butler, Wayne Robinson, Curtiss Robinson, Eric Simmons, David Hudson, Walter Rankin.
1st Row: Charles Blair, Ricky Harris, Shawn Wilkerson, Larry Brown, James Keys, Willie Paul Smith, Jeff McCrary, Tommy Elison, Kenneth McGhee.

The Trojans finally blossomed in their sophomore season of AA ball under new head coach Scott Conner. The coaches' and players' dedicated work, beginning in June and continuing throughout the rugged season, was duly rewarded by a trophy bearing the inscription Region 2AA West Champions.

Peach County carried its baffling box offense along with bright expectations into Warner Robins for the season's opening contest against the tough AAA Eagles of Northside. The Trojans began in fine fashion by controlling the ball in the first quarter but were unable to put any points on the board. In the second quarter both teams battled to a 7-7 tie. In the second half the Eagles superior depth and Trojan mental mistakes told the story as Northside prevailed by a score of 21 to 7.

On the following week, the Trojans, hungry for their first win of the season, entertained Douglas of Montezuma at Andersonville Field. They displayed a fine team effort and simply overpowered the Hornets 56 to 6.

The Trojans met with some hard luck at home in their next two contests. A missed extra point cost them a tie with AAA foe Jordan of Columbus. In their first region battle against a fine Washington County team, the Trojans led almost the entire game on the strength of two David Carter field goals, but were unable to put the contest out of the Hawk's reach. In the final stanza Washington County pierced the Trojan defense for a touchdown and defeat seemed probable for Peach County. However the Trojans were seemingly repaid for the misfortune of the previous week as the Hawk's extra point attempt sailed wide and Peach County salvaged a 6-6 tie.

The Trojans played the second of seven straight home games on the road against arch rival Perry. The fierce black and gold squad rambled to an early lead and held it throughout the game despite having to continually turn back Panther threats in the latter stages of the contest. Fine play by Trojan teammates Paul Ross, David Carter, Sonny Bailey, David Butler, Charles Blair, Darryl Blount, Ronnie Sanders, Mathew Jackson, Rudolph Thomas, and Bobby Smith helped give Peach County a 21 to 9 victory.

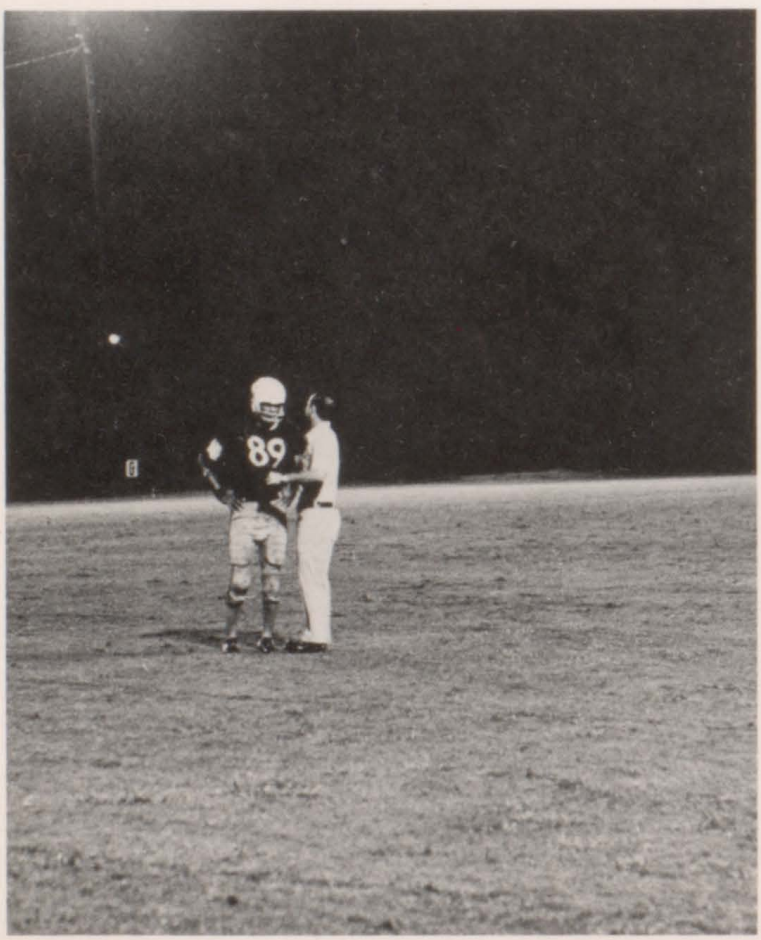

Peach County, along with some loyal fans, journeyed to Dublin the following week and whipped the Irish decisively 31 to 7. David Butler's return of an intercepted pass 20 yards for a touchdown was the highlight of the game along with Coach Conner's dispute with the opposing team's official.

The Trojans are greeted by the Northside captains before the first game.

Charles clears a path as Dave rambles on.

"Preston, if that man scores, you'll ride the bench until you die of old age!"

Next the Trojans hosted the Baldwin County Braves of Milledgeville. Our guys led by a narrow margin of 7 to nothing at the half, but pulled away in the final two quarters and posted a 21 to 0 win. It was the first whitewash of the season by the stiff Trojan defense.

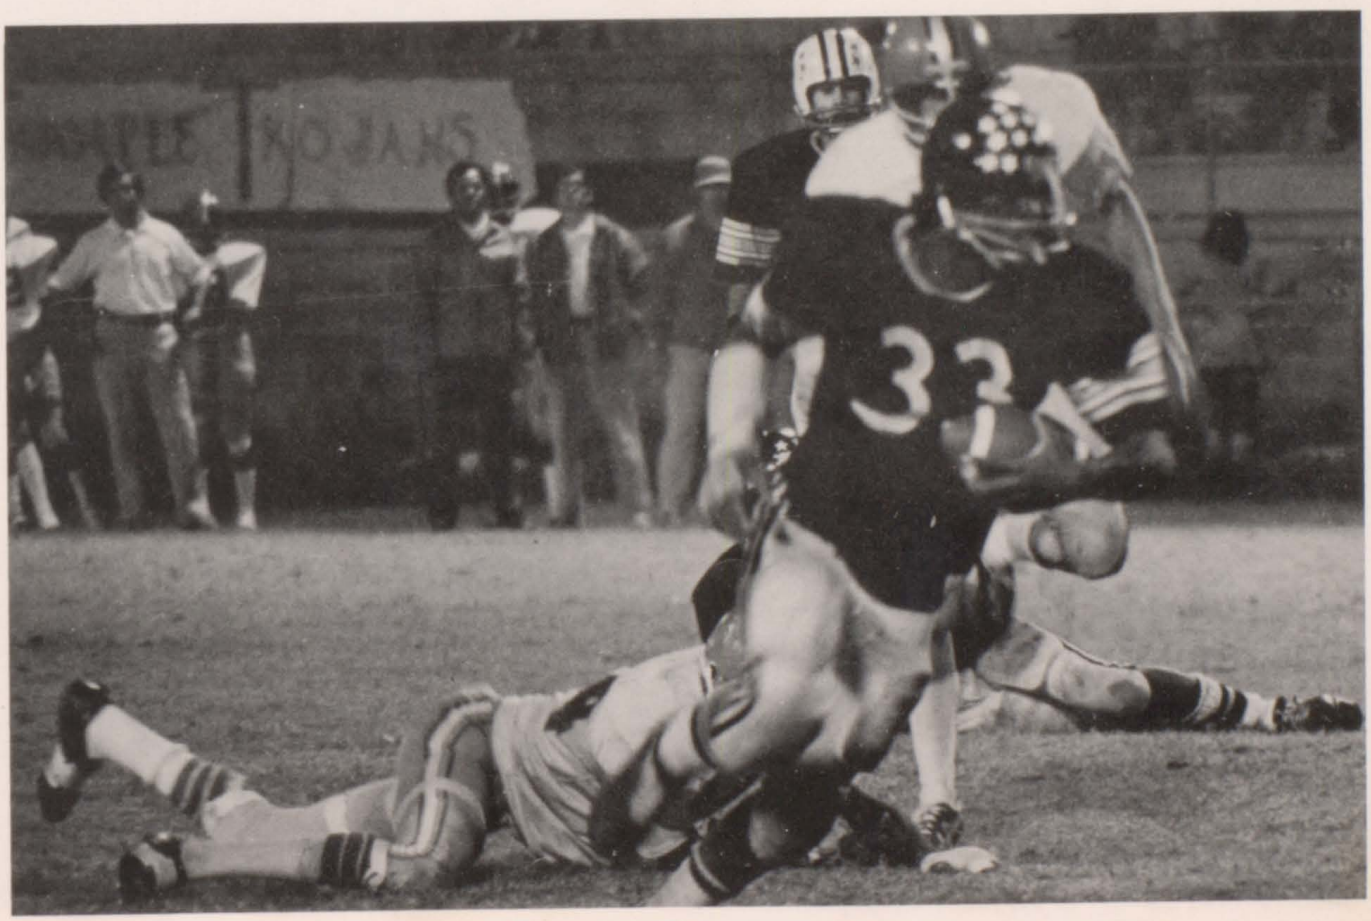

The Trojans traveled to McRae the following week and came back with their fourth straight triumph of the year. They did so by mauling the Telfair County Trojans by a 49 to 7 score. This contest was just a tune up for the most important game in Peach County's football history coming up the next week.

Trojan Week was a great success, but no factor made this a reality more than the Trojans battle with Mary Persons for the region championship in Fort Valley on that Friday night. Both teams played cautiously in the opening series, but Peach County exploded for 21 points behind the tremendous blocking of the offensive line and the superb running of backs David Carter and Paul Ross in the remainder of the first half and held a substantial 21-6 lead. However the Trojans had just begun to get warmed up. In the second half they dominated the previously unbeaten Bulldogs from Forseyth and romped to a convincing 37 to 12 victory before a stadium packed full of ecstatic fans. Bill Preston returned to the Trojan lineup, and he and Sonny Bailey stopped Person's dangerous passing attack cold with two interceptions each. The Trojan defensive line and linebackers shut off the Bulldog's famed running game equally as well.

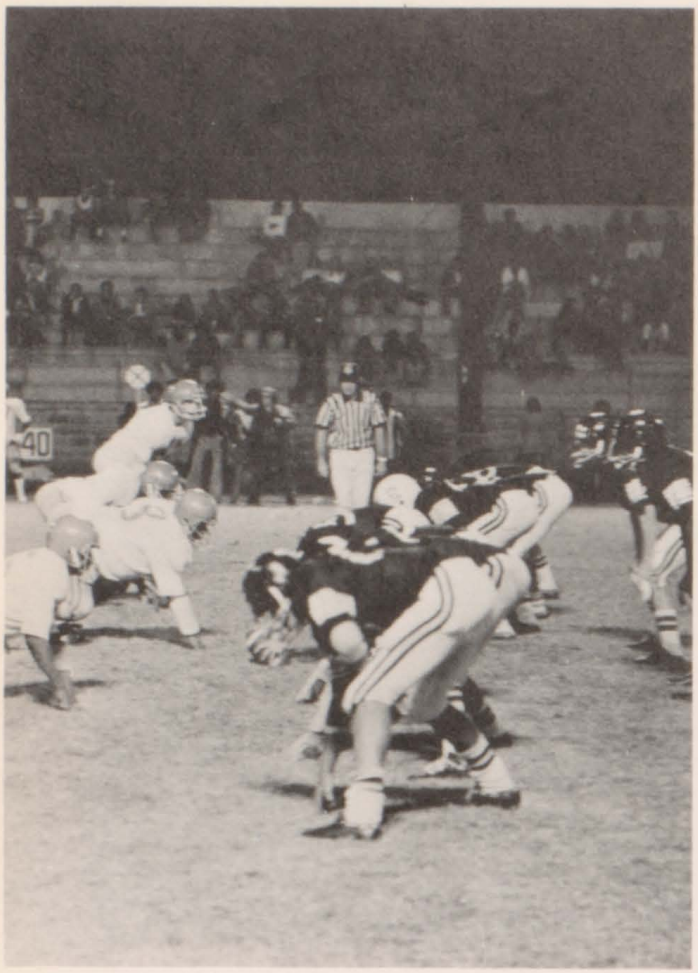

It was a perfect night for the Trojan supporters and a satisfying one for head coach Scott Conner. He had made his presence felt in the middle Georgia area.

Coach Conner shows a Dublin official where to go.

Our offensive wall prepares to charge out.

The Trojans journeyed to Eastman the following week to battle the tough Dodge County Indians for the final game of their regular season schedule. It was a must game because the team needed a win or a tie to give them the Region 2AA West championship. The contest turned out to be the most exciting one of the season.

The Trojans held a slim 7-6 lead after a hard hitting first half. The highlights of the second half were a 98 yard run from scrimmage for a touchdown by fullback Paul Ross and a daring run by punter Charles Blair for a crucial first down.

Ronnie Sanders boots another of his many extra points.

However the outcome of the game was decided when a Dodge County pass attempt for a two point conversion was intercepted by Sonny Bailey after the Indians had pulled to within one point on a touchdown with less than two minutes remaining in the contest. The Peach County Trojans were Region 2AA West champions.

Sugarbear waits patiently for his chance to kill another quarterback.

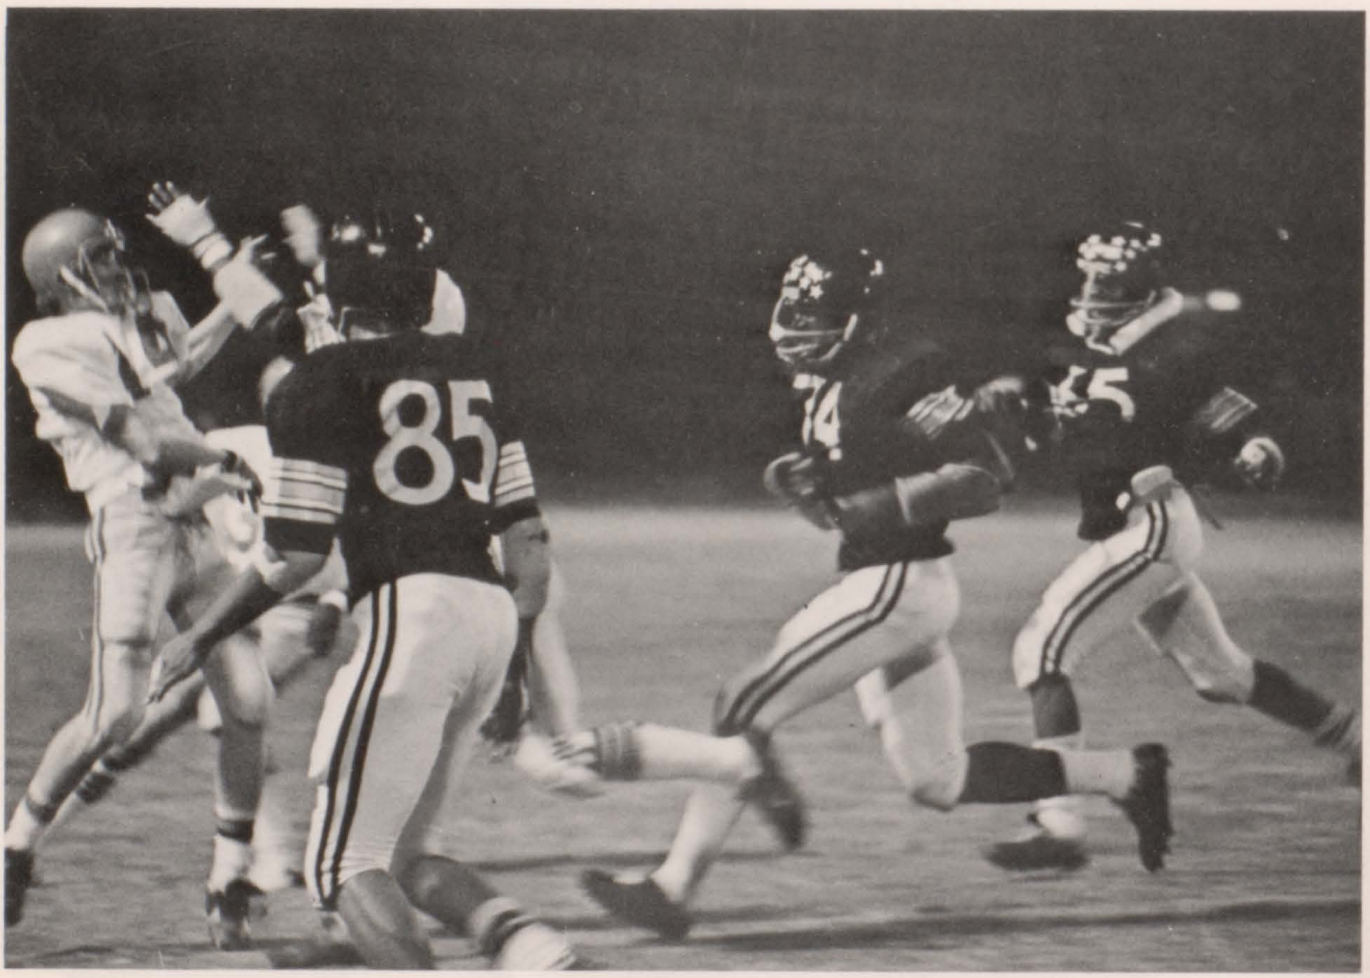

Trojans regroup after mauling another opponent.

The Trojans advanced to the playoffs and encountered the Swainsboro Tigers, Region 2AA East champions. They jumped out to an early 7 to 0 lead, but things just fell apart as Swainsboro raced to an easy 51 to 7 triumph.

With "Shot" paving the way Dave outruns another defender and eats up more yardage.

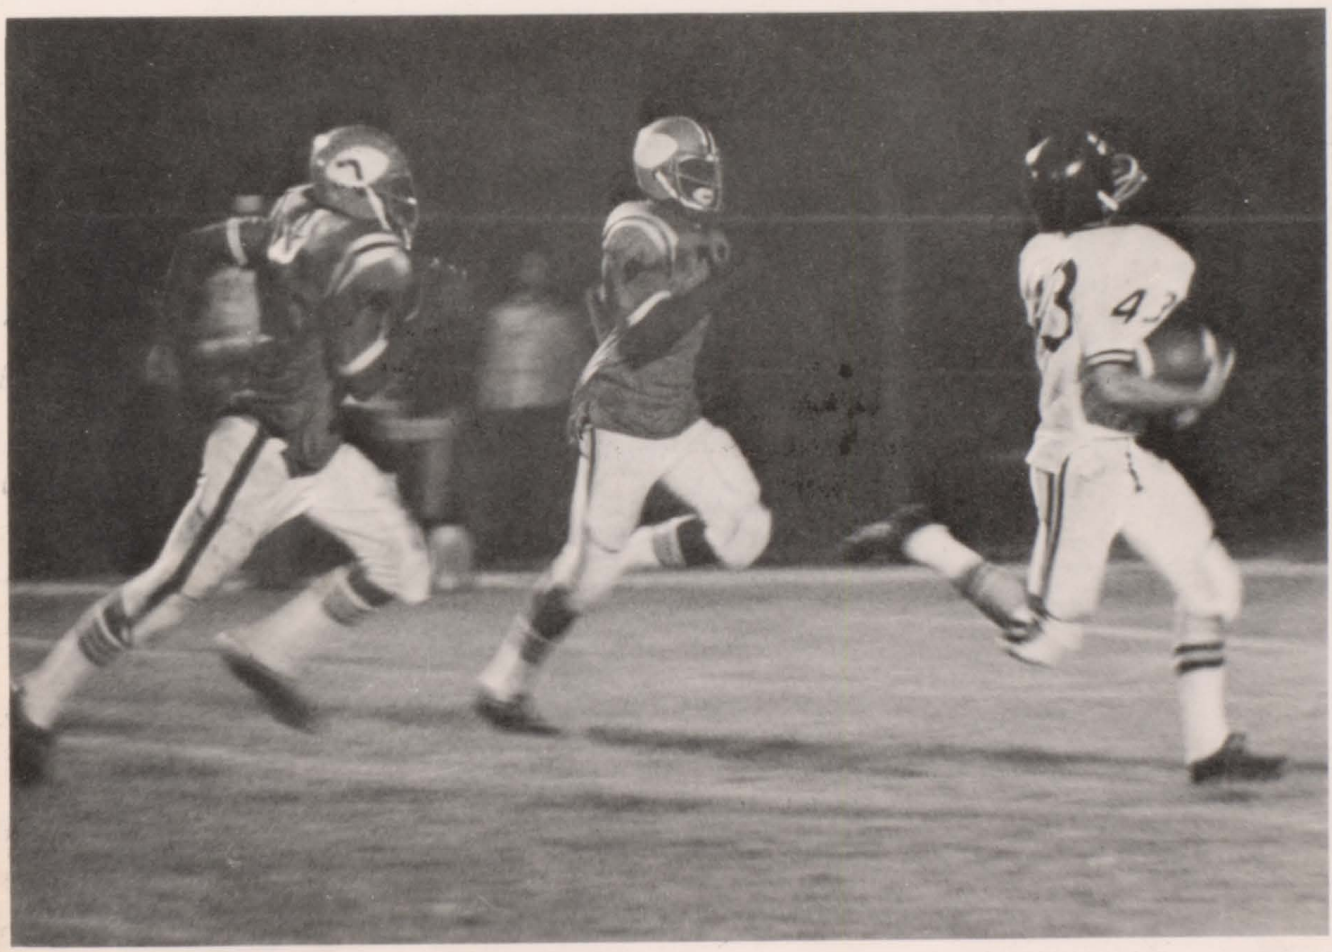

David, Eddie, and Rudolph close in on the Jordan quarterback.

Peach County's season ended abruptly that Friday night, but when the people of Fort Valley and the students of Peach County High look back on Trojan football of 1973-74, this game will be farthest from their minds.

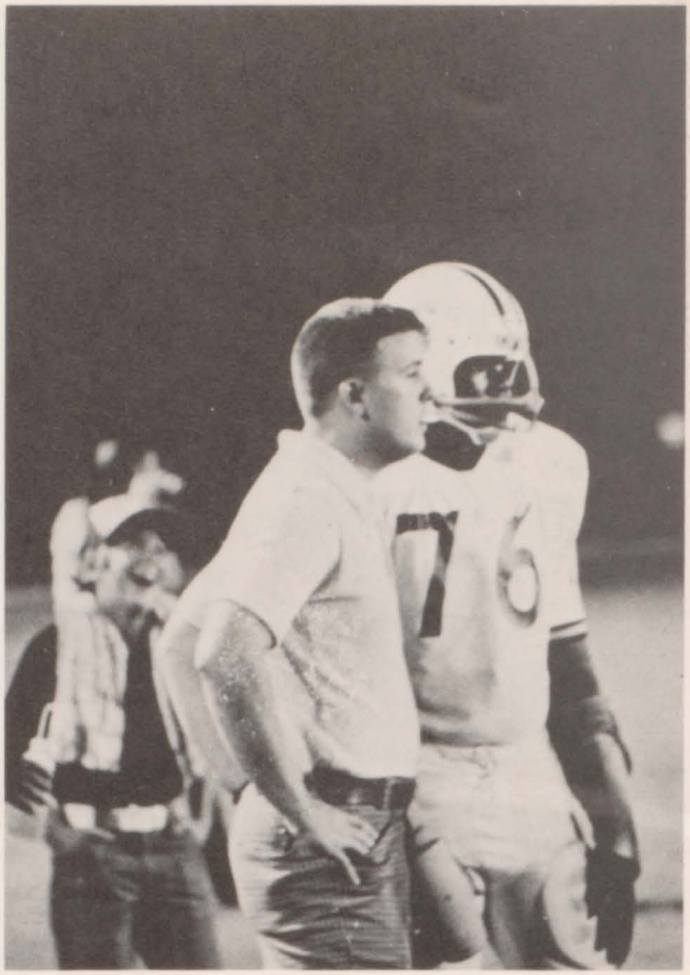

This was the year Trojan football reached unprecedented heights and hopefully began a tradition that will continue throughout the years to come. We, the Retrospect staff, offer our congratulations to the coaches, players, and trainers of this year's football team on a job well done.

Last Will and Testament

I, James Schofield, leave to James Walker some Scotch tape so that he will stop eating cheddar cheese while dating . . . I, Paul Ross, will to anybody my football shoes, that is if your feet are big enough . . . Connie Ridley wills to Mr. Bean the sense to stop wearing those ridiculous looking bow ties . . . I, Angela Plant, will all the underclassmen the ability to talk with their mouths closed in the library . . . Linda Mathis leaves her ability to pass algebra I and II without repeating to Nathan Mathis who has made algebra a problem . . . I, Eddie Latimore, will to Coach Conner the ability to talk like a Georgian and not like a hillbilly . . . I, Ricky Ezell, leave to the secretary Mrs. Cleveland the "Wrong Menu Award" . . . Nita Martin leaves to future drill team members her ability to count to 8 without moving her lips . . . I, Melba Martin, leave my long red hair to anyone who thinks they can cope with the *Red Hot* temper that goes along with it . . . Ada Philson wills the underclassmen the ability to be the first out of the room and still be last in the lunch line . . . Rhonda Tanner and David Harmon leave to any other couple the ability to find a hiding place to kiss in school . . . Debra Denise McCrary wills to Wanda Marshall and Diane McCrary the ability to trot through Mr. Coleman's class on her invisible pony . . . I, Jannete Lowe, will to Mrs. Cleveland the ability to speak better on the intercom . . . Sonja Jackson leaves Rosalyn Taylor the desire to take 2 courses under Miss Bell in one year . . . I, Daryl Hawkins, leave to Monkey Vinson my ears so his won't be so big . . . I, Viola King, leave to the class of '75 a bottle of sleeping pills, in order that they may rest easy in Mrs. Young's class . . . Karen Johnson wills to Jody Grant the ability to back into a parking space, hoping next year she'll get the nerve to do it . . . I, Joseph Hill, will to Gary Walker my literature book; I know that he will use it as much as I did . . . David Harmon also leaves to any football player his appendix operation and the ability to get a letter jacket without ever dressing out . . . I, Daryl Hardison, will my job as trainer to the one who deserves it most, Jeff Blair . . . I, Sam Grice, will to future pupils all of the correct answers to Miss Bell's homework - except the even numbers . . . Karen Duke leaves all her voice lessons with Miss Thomas to anyone who thinks they can cut it for three years straight . . . I, Dickie Dennis, leave my tennis racquet to Mike Massie in the hope that he will learn how to use it . . . David Butler leaves a bus to all those who miss the bus, because it's going to be a long walk to the new school . . . I, Jed Davdison, leave my ability to make sarcastic remarks in Miss Bell's class to anyone brave enough to accept it . . . I, Glenda Brown, will to all the underclassmen the desire to truck to school 180 days for four years . . . Cheryl "Billie Jean" Bridges leaves the honor of letting coaches win to whoever has the stomach for it . . . I, Steve Bozeman, being of uncommonly unsound mind leave to future seniors Miss Harelson, which is why I have an uncommonly unsound mind . . . I, Johnny Estes, do leave the art of getting my homework up 10 minutes before Miss Bell's class to anyone who needs an ulcer (and poor grades) . . . I, "Hands" Bailey, leave my nickname to Kim Woodruff, who will hence be known as "Hands II" . . . Jerry Alston leaves a flashlight and some batteries for going to school in the dark . . . Charles Blair leaves to Jim Moorman the editorship of next years Retrospect and also the ulcer that comes with it.

The jury is now out on the 1973-74 Retrospect and you are the judge. We may be biased but we think we've done a good job.

There are many people who desire recognition in the production of this book. I would like to take time to thank Ken Joyner for his technical assistance, Richard Polk for his photographic aid, Eileen Lovett for her clerical assistance, Michael Perkins for his technical assistance, and last, my teachers for tolerating my missing so much of their classes for this production. A special thanks goes to Mr. McClendon for setting aside a place for our darkroom and giving an Annual Staff every bit of help possible. Last I would like to thank my staff for their diligent work in making this a most successful annual.
